Easter Seal Campaign March 7th - April 14th

March 7th to April 14th are the dates this year for the annual Easter Seal campaign. The local committee working under the direction of the state and national societies consists of Lora Gould, president, Marge Haugh secretary, Norma Hall treasurer. Helping on the committee are Ruth Norenburg, Helen Poe, and Maureen McNamara. The Grayling Woman's Club is the sponsoring organization local to this campaign.

It may be of interest to all to know what the society accomplishes in this very area with the seal that you have purchased. We have purchased shoes with braces or built up heels for six children, bought a radio for a blind lady to use as long as she likes, secured bed, springs and mattress and mattress pad for a crippled adult, installed a T. V. and antenna and have maintained same for a lady suffering with arthritis who as a paralyzed daughter. We also sent three youths to camp at Indian River for two weeks last summer and paid all of their expenses. They had a wonderful time. If you do not believe us, ask Janet Rowland, one of the girls who took part. As you know Janet wrote a very nice letter to the Avalanche thanking the local people for making it possible for her to attend. We are available to help Mrs. Peterson with therapy and diagnosis expenses when necessary.

There will also be a bowling project again this year and we hope more of you will take an active part. You may purchase a card at the time you purchase a seal. The seal is available between March 7th and April 14th. Bowl your regular league three games, turn your card in to Boots Bash and after Easter the seal will award prizes for men and women — figured with handicaps. These cards cost you \$1.00 and you may enter as many times as you like. Buy your card and if you bowl a good series this week, use it, if not you may save it for next week's series etc. but you must have bought the \$1.00 card before you bowl the good series. See Larry at the Bowling Alley for your card. Win a prize, but above all you will be helping some child go to camp from Grayling. All camp fund-revenues stay here in our county.

The Annual Lily days will be April 5th and 6th on the local streets. Anyone having any questions or knowing of any handicapped person who needs help, please contact any of the above named committee members. PLEASE SEND YOUR CONTRIBUTIONS FOR YOUR EASTER SEALS. Lora Gould

Council Race Is Wide Open

With three posts on the Grayling City Council coming up for election in the April 1 election, only one person has filed to run for office. Anyone wishing to run for one of the City Council posts has only until 12 noon, Saturday, March 9 to file a nominating petition with City Manager and Clerk Harold S. Cliff.

Councilman Howard D. "Whitney" Madsen, who was appointed to fill out the remaining term of former Mayor Walter B. McWilliams who resigned, is the only person so far to file a petition to place his name on the ballot.

The other two Councilmen whose terms expire are Emil Giegling and James Duley. Councilman Giegling, a veteran of city government, told the Avalanche that he will not run for re-election.

Duley was appointed to fill out the term of Don Gottho who resigned. The time is very short to file, however, the number of signatures needed for the nominating petition is very small and could be finished well within an hour.

Hugo Bohm Named CUSSA National Coach

The selection of Hugo Bohm, Grayling High School Ski coach, and Director of Mt. Frederic Ski School, as one of the National Team coaches for the Central United States Ski Association National Junior Team was announced Monday by Dr. Carl P. Rauch, Chairman, Junior Alpine Committee.

Hugo, Mark Anderson, Jody Almon, National Team members, and Jack Mason, Manager of the National Team left Grayling Wednesday for Chicago where they took the City of San Francisco train for Wyoming. They are expected back in Grayling March 18th. Jack Mason also said he was taking Jack Jr. on the trip.

It is necessary to continue until quite warm weather as the frost will remain in the ground even though surface temperatures rise above freezing.

Legion Auxiliary News

The Grayling American Legion Auxiliary Unit 106 held its regular business meeting Feb. 12, with 9 officers and members present. Then on Feb. 26 a social meeting was held with 9 members and 2 guests present. Cards were played with prizes going to Jerry Muth, high. Low was won by Mrs. Muth. Herriek, guest of the Auxiliary. Mystery prize was won by Mrs. Harold Hempel also a guest. A lunch of coffee and cake was served by Rachel Kitchen, Jerry Muth and Doris Case.

Above is an architect's sketch of the new Arrowhead Inn which will be under construction shortly on the east side of business loop I-75 just south of Grayling and adjacent to the Aquarama Motel. The building will be of masonry construction and will seat 100 people. There will be two dining areas which may be opened to join together or closed off for privacy. One of the dining areas will be carpeted and will also have a fireplace constructed of natural ledge rock.

The building will also have a small gift shop in conjunction with which will handle imported gifts and some gourmet food items. The new restaurant is being constructed by Walter Johnson and James Hunter who will operate it. Until last fall the two men operated the Big Wheel Restaurant at the junction of US-27 and M-76 and 18.

There will be no counter serving at the new eating place and an ultra modern kitchen in every respect is being planned. Adjacent to the restaurant to the south, but not connected with the eating establishment, will be a modern automotive service station which will cater to all of the needs of the motoring public except major auto repair work. The restaurant and service station will cover 400 feet of frontage of the I-75 business loop. A backdrop paving apron will connect the service station, restaurant and motel rendering it unnecessary for the motorist to return to the highway for service at any of the three business establishments.

Food and service at the new Arrowhead Inn will be first class in every respect and will be maintained at all times, the two owners said. The new inn is scheduled to be completed by May first and the preliminary ground work prior to the start on actual construction is due to get underway this week.

James A. Spence of Saginaw is the architect for the project. McCreey and Sons of Gaylord are the general contractors and the Jansen Plumbing Service of Grayling will handle all plumbing work connected with the new building.

Vikings Win Finale, 70 to 52

The Grayling High Vikings bowed the Boyne City Ramblers last Friday night at Boyne City 70 to 52 to windup the regular basketball season and nail down third place in the Northern Class C Conference.

The Pellston Hornets and Harbor Springs Rams wound up in a dead-heat for the championship with identical 12 and 2 records as the Hornets stopped winless East Jordan 77 to 59 and the Rams halted a Gaylord Blue Devil win streak 55 to 47. In the other games in conference play last Friday Mancelona shut off the Charlevoix Rayders 63 to 47.

Grayling moved out to a 20 to 15 first period edge Friday night and increased it to a 41 to 31 intermission bulge. In the third frame the host Ramblers battled back with a 15 to 8 count to cut the margin to 49 to 46 Grayling's favor as the last quarter opened.

The Vikings ended their regular season on a red hot note as they scored 21 points in the final canto while holding the host team to a slim 6 points.

Tim Neal with 30 points on 11 field goals and 8 out of 9 free throws paced the green and white victory. Two others hit in the double figures as Tom Wright scored 18 and Bill Joseph 12. Terry Smith added 8, Walt Fallon 2 and Richard Smith and Harvey Merithew, a foul shot each. Neal also turned in 21 rebounds with Wright adding 13. V. Thompson with 18 and L. Gunderson with 16 were high for Boyne.

Grayling scored on 25 field goals and 20 out of 24 free throws. They were called for 17 fouls and lost B. Darbee and Gunderson via the foul route.

The little Vikings lost a 48 to 40 opening game Friday night to the Boyne Jayvees. The host team took a 11 to 8 first period edge but the little Vikings battled back with a 11 to 10 second frame tie to cut the lead to 21-18 at intermission time. A 15 to 11 third quarter iced the game for the Boyne reserves who also took the last canto 12 to 10. Eddie Robertson with 12 was high for Grayling with Walt Nielson adding 10, Danny Feldhauser 8, Curt Feldhauser and Frank Schmidt 4 each and Tinker-2. R. Hauser and D. Hunt with 17 each were high for the winners.

BEAR BOW GOES TO THE CONGO

When the Rev. Billy Davis of Katanga, in the Congo, was the guest of Michelson Memorial church February 19th, he expressed a desire to take back a bow with which to hunt antelope in Africa, not as sport but to feed the natives. He was taken to Bear Archery Company for information on the proper kind of bow to get, and was completely surprised and over pleased when the company made up a special one for him, a magnum 50 pound bow, as a gift. The Rev. Alfred Fennell expressed the appreciation of all the church members to the company for their outstanding courtesy.

Frederic Eagles Windup Season

The Frederic High Eagles wound up their regular season play last week and tonight (Thursday) at 7:15 p. m. enter Class D District cage play at Gaylord. The Eagles are to face Alba. If they can win over Alba they will go right into the finals which are set for Saturday night at 7:45 p. m.

Last week, the Eagles traveled to Vanderbilt on Tuesday and then returned home Friday night to close out the regular season play hosting Bellaire.

Tuesday night at Vanderbilt, the host team jumped off to a 16 to 10 first period edge and eked out a little further in front 26 to 18 at halftime. The Eagles battled back with a 15 to 13 third frame tie to the lead 39 to 33 as the final canto opened. Vanderbilt came up with 15 to 9 fourth quarter to win 54 to 42.

Terry Lait with 17 and Fred Wilson with 8 led the Eagle score. Parks with 22 was high for Vanderbilt.

On Friday night, Bellaire took a 16 to 6 lead at the end of the opening frame and built it to 34 to 21 halftime. They added scores of 21 and 22 in the final two quarters while Frederic managed but 9 and 12, losing 77 to 42. Lait with 23 and Wilson with 12 were again top scorers for Frederic. Steiner had 27 and Clark 18 for Bellaire.

The little Eagles lost a toughie to the Vanderbilt Jayvees Tuesday night. Frederic took an 8 to 5 first period lead but the Vandy reserves revived in the second quarter to tie the score at 16 all at halftime. The little Eagles and Vanderbilt reserves battled on even terms in the third quarter with each scoring 8 points. In the final frame, the host team outscored the visitors 13 to 9 to win. Jim Blauw with 9 and Ricky Post with 8 were high for Frederic with Himebauck with 17 high for Vanderbilt.

The Frederic reserves got going Friday night, however, and romped to a 48 to 27 victory. They started off with a 14 to 6 first period and won all of the other three periods, 10 to 4, 10 to 2 and 12 to 9. Rick Post with 22 and Jim and Fred Blauw and Jan Gauthier, all with 6 each paced the Eagles attack. Trochelman, with 13 was high for the Bellaire reserves.

The funeral was held Friday, March 1st at Walkerville with Rev. Hubert Bengtson officiating. Burial was at Crystal Valley Cemetery.

Five Class C Teams Battle For Berth In Regional Bracket

The Grayling Vikings cleared their first hurdle in District cage play Tuesday night with a cliff-hanging 52 to 50 win over the Houghton Lake Bobcats. Down 30, Grayling tied it up at the 11 second mark and went out in front with only 4 seconds left on the clock.

In probably one of the best balanced District High School Basketball tournaments in many a moon, five Class C teams will battle in the Grayling High gym this week for the right to move on to the Regional Class C skirmish next week at Petoskey.

The five teams are: Alcona Lincoln, Grayling, Houghton Lake, Roscommon and Whittemore Prescott. As the results of season play or late season form, any one of these teams is quite possibly the champion.

Two of the teams, Alcona Lincoln and Roscommon finished as co-champions of the Northeastern Michigan Conference while another, Whittemore Prescott was second and Houghton Lake finished just a step behind them. Grayling won a third place in the strong Northern Michigan Class C Conference.

Whittemore Prescott has the best overall season record with an 11 and 5 but were defeated 51 to 50 by Houghton Lake last Friday night. Alcona Lincoln sports an 10 won 6 lost record while the host Grayling Vikings have a 9 - 6 season mark and the Roscommon Bucks a 8 to 5 record.

Houghton Lake has the poorest mark, a 4-10, but as the season neared the end held Alcona Lincoln to a one point victory and as stated before stopped Whittemore Wednesday night of this week. Roscommon and Whittemore Prescott will clash with the winner moving right into the Saturday night finals. The winner of the Tuesday night's clash will meet Alcona Lincoln on Thursday night with the winner of that battle meeting the victor of the Roscommon-Whittemore battle for the crown.

Tickets for the first three games are set at adults, 75 cents, students, 50 cents; for Saturday night's game, adults, 75 cents, students, 50 cents.

The City Planning Commission of the City of Grayling held their second meeting with some members of the City Council at the City Hall on Monday evening of this week.

Busy Season In D. C.

As the mills of this Congress grind slowly along in their traditional way, the people of the nation give greater attention to the plans and prospects that are in the works. And one thing can be said with considerable certainty — the cleavage between Administration thinking and proposing, and Congressional thinking and action, are, in some cases, very deep indeed.

Tax reduction, to be followed by major revisions in tax policy, are at the head of the President's agenda, so far as domestic affairs are concerned. But the chance of Mr. Kennedy's program being approved in its present state seem to be exactly nil. He asks for a \$13.5 billion tax cut to be accompanied by changes in the law which would offset \$3.5 billion of that. The net result would be a cut of \$10 billion, with most of the advantage going to the wealthy. At the same time, in other messages and proposed bills sent to Congress, the request has been made for greatly increased spending on an assortment of projects. The Administration program, whatever its merits or demerits, is spend more and collect less. Some have figured that, if this program was adopted in its entirety, the deficit would reach an incredible figure during the coming fiscal year — \$15 or \$20 billion or even more. And the Administration's argument to the effect that great deficits are not necessarily producers of inflation is viewed with very cold and dubious eyes in some high Congressional circles.

Also, there is next to no chance that Congress will accomplish the massive job an overhaul of the tax system involves during this session. There is just too much difference of opinion as to what is needed. Some of the proposals made so far by the President are intensely controversial. What Administration advisors may call tax "loopholes" for instance, are, in the view of others, fair and necessary exceptions to the general rules.

Last year the Administration threw about all the weight it could muster behind the Medicare bill, for providing an extensive list of medical services to everyone drawing Social Security benefits. The effort failed — the mountain didn't even produce a mouse. But, as the President has made clear, the bill, in similar if not identical

form will be back again. And, again, its chance of enactment seem very dim. What is probable is something more to Congressional liking — an expansion and improvement of the existing Kerr-Mills law, whereby federal funds are available for the medical needs of those who clearly are unable to pay for them, whether or not they are within the Social Security system, with administration of the program established at the local level.

The future of foreign aid is also in doubt. Increasing numbers of Senators and Representatives, within both the parties, think that this must be cut back. And France's action on vetoing British admission to the Common Market may bring an "agonizing reappraisal" of our whole international position, the Western defense alliance included.

Finally, we have not heard the last, by any means, of discussion of the extent of Communist infiltration into this hemisphere, and what we must do about it. Secretary of Defense McNamara's conference, of February 6, in which he dramatically denied that Soviet offensive weapons are now in Cuba, did not convince the skeptics. Other evidence indicates that he is possibly mistaken. A determined, probably bitter, effort will be made to determine the truth of the matter.

To say the obvious — it will be a busy season at the White House and on Capitol Hill.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

March 7, 1940

The annual high school basketball tournament has faded into history with Grayling carrying off the honors for Class C schools and Roscommon victors in Class D. The games were played at Grayling school gym Thursday, Friday and Saturday nights and there were large crowds in attendance on each night. Supt. Gerald L. For was the manager. Frank L. Bond was timekeeper. Roy O. Milnes, scorer, and Cecil Roberts, announcer. Joseph Stripe was in charge of the box-office. The referees were David E. Bates of Harbor Springs and D. W. Gabrysiak of Mt. Pleasant, and they handled the games in a very admirable manner.

With the big pools of water on the streets and the snow sliding off the roofs of houses, it looks as though spring is really on its way. The sun has shone more this week and melted the ice off the main street. School children can be seen in groups on bare places around the school shooting marbles. That's a sure sign of spring. Friday morning the Grayling Grayling Fish Hatchery thermometer registered 18 above zero at 6 o'clock but only gained 2 points by 8 p. m. Saturday morning was the lowest, the mercury dropping to zero during the night, and rising to 32 above at 6 p. m. Sunday, Monday, Tuesday and Wednesday the thermometer registered in the 20's, dropping to 14 above Thursday morning.

Starting April 1st, Uncle Sam will have an army of men and women in the United States knocking at doors and asking for answers to 57 questions about every household. Most of the questions to be asked are similar to those of 1930, when the last census was taken. Once every ten years, by constitutional provision, a national census is taken.

George "Birdie" Tebbetts, catcher for the Detroit Tigers, has been named chairman of the Grayling, Michigan, delegation to attend the 10th annual winter convention of the Taft Memorial Highway association here Friday and Saturday. Tebbetts was named by the Grayling Chamber of Commerce. Others who will attend the sessions from Grayling will be Dr. C. R. Keyport, C. J. McNamara, Harold MacNeven, T. P. Peterson, R. A. Wright and George Olson. Tebbetts is a leading civic worker during the winter months at Grayling.

perform at any time. The place will be equipped with four loud speakers and a large spotlight for the floor show. Only hamburgers, foot-long hotdogs and short order meals will be served. Everyone from 9 to 90 will be welcome.

Ground has been broken and workmen are getting ready to lay the foundation for the new beer garden and dance hall for A. B. Zauel. The building is located in the fork of the roads where the highway to the winter sports park and M-76 branch off.

A bullet hole through the front side glass window of the Johnson Furniture Co. store caused a lot of curiosity this morning until Night Marshall Morgan Paige got down town about noon. Morgan said that he attempted to shoot a dog the evening before, the bullet glancing off the pavement and striking the window. It did no further damage besides breaking the glass.

The Oldtimers' picture contest that is appearing in the Detroit News had as one of its entries a picture of Tom Stephens' Otsego baseball team. This brought back memories to many of those who remember Tom Stephens and his baseball team. In footnotes Tom was called the roving lumberman, and the Paul Bunyan of baseball. Those were the days some 25 years back that excursion trains were run to Grayling from all corners to witness the Otsego-Grayling games. It was then that Grayling had the team that went places in baseball and was managed by none other than "Hawk" Hanson.

Floyd Wylie, the accommodating deliveryman at the Grayling Dairy, and Miss Ione Wright stole a march recently on their friends and hid themselves away and were married. It was sometime the middle of February and they have kept it a secret since. The bride is a surgical nurse at Grayling Mercy Hospital and came to Grayling from Royal Oak, and has been here for two years. The groom was born in Grayling, and both have hosts of friends who extend congratulations and best wishes.

Al Roberts tendered his resignation from the city council Monday evening to take effect the following day. Mr. Roberts served on the village council for 18 years, and after the village became an incorporated city, he continued on the council. He was an active and able councilman and over this long

term of years rendered this city excellent service. Having been engaged to serve as superintendent of the new municipal electric light and power plant, his resignation from the council was necessary. He also served the city by being a member of the county board of supervisors, in which capacity he will continue as it does not conflict with his duties as plant superintendent.

Mrs. Byron Randolph returned home Friday from a week's visit with her uncle and aunt, Mr. and Mrs. Roy Barber, in Bay City.

ful expectation is running through
our group. Since it is right next
to the hospital the uppermost ad-
vantage is that we will no longer
have to walk ten blocks in sub-
zero weather. No longer will we
arrive at the hospital looking like
bunched up eskimoes coming from
northern Alaska. Because it is so
close to the hospital we can sleep
in an extra half hour!
And modern conveniences! We
even have a special sink to wash
our hair. Can you imagine two
telephone outlets? No more neck-
breaking leaps down the stairs.
No more clanging radiators to
awaken us at 3 A.M. as the pipes
expand. Oh, once again we will
have even temperatures in our
rooms.
With individual rooms you won't
have to listen to your roommate
groan when you turn on the light
to dress, the morning she doesn't
have to work.
We would like to take this op-
portunity to thank Sister Mary

made this beautiful house possible.
It is hard to express our appre-

by caring for the house as we
would our own and may this care
be the very best.
Thank you, again, Sister, from
the bottom of our hearts.

Mrs. Ella Wilcox and Mrs. Bertha Hanson were in Bay City Friday and Saturday a week ago to visit the Richard Sniders, then went on to spend several days in Detroit. They returned home last Thursday, accompanied by Mrs. Harold Cliff, who was in Detroit for several days for postoperative treatment.

A meeting of representatives of the various school districts was held at the Wesley Kumpula home Wednesday night of last week, for the purpose of voting on a budget for county school officers for next year. Those attending included Arthur J. Wakeley of Grayling School District No. 3, Roy Papanus of Frederic School District, Janet Johnson of Beaver Creek School District, James Baker of Grayling District No. 1, and Bill Joseph, President and Wesley Kumpula, Secretary of the County School Board.

February 28th was Mrs. Earl Madsen's birthday, and to help her celebrate it, her daughter Patricia, and Mr. and Mrs. Frank Muth and daughter Margaret spent the evening at the Madsen home, bringing a beautifully decorated cake made by Pat.

Mr. and Mrs. Merrill Weber and son David of Lincoln and friend Don Adams of Harrisville, who is attending Alpena J. C., were guests to the Robert Strong's weekend before last, coming to attend the Alcona-Roscommon basketball game on February 22nd.

YAC Probes Dropouts

On the weekend of February 16 and 17, the Michigan Youth Advisory Council (YAC) held its winter conference. The subject of discussion at this conference was school dropouts.

School dropouts is the most important problem facing Youth today. There are over 50,000 out-of-work youth in Michigan, most of which didn't finish high school. In Michigan, out of every 100 children who begin the first grade, 25 to 30 don't complete the twelfth grade, this is then 25 to 30 per cent of Michigan's young people who are school dropouts. Why are school dropouts such a problem? Because society today is REQUIR-

ING high school completion for employment and social acceptance. This, the problem of school dropouts, is what faced over 60 YAC-ers as they congregated at Michigan State University for their February conference.

Dr. E. C. Saudik of the Upjohn Company, Kalamazoo, presented background material and showed the new dropout film, "When I'm Old Enough - Good Bye!" (This amazing film can be secured through the Michigan Employment Agency.) Here we found out the main eight reasons for school dropouts:

1. Feeling of not belonging
2. Non acceptance by teachers and fellow students
3. Marked differences in size, speech, nationality, etc.
4. Not much money
5. Ashamed of family
6. Non participation in school activities
7. Failure in achieving school work requirements
8. Physical or emotional handicap
